REMINDERS

Kiss-and-Go - Thank you everyone for helping to make our Kiss-and-Go so successful this year! We have one request as we continue to refine this new process. Please make sure your children are sitting on the right side of the car. This ensures they can safely get out and to the curb while other cars are continuing to move on the left side.

Family Directory - The Parent Teacher Organization (PTO) has compiled all the names for the Family Directory sign-up into [this document](#). They are currently working on a way for families to sign-up who may have not had the chance at Back to School Night. Stay tuned! The goal here is to provide contact information for any families who opt-in to share their information. We hope this will help with connections between students and families.

Disability and Dyslexia Awareness Month - Did you know that October is Disability and Dyslexia Awareness Month? DPS has compiled a bunch of resources to support conversations with students [here](#) on their website.
