ANNOUNCEMENTS

5th Grade Ski Discounts - Did you know that 5th and 6th Graders can get big discounts on skiing in Colorado? Learn more [here](#). **Registration ends Sunday, February 28th.**

McMeen University - Due to low interest, we have decided to not host McMeen University this year. We will try again in the fall. We will still host City Strings and those families who signed up for City Strings have been notified.

Charging for Chromebooks - We have started charging for lost or damaged chromebooks. These charges will help us repair broken devices. This includes \$25 for each damaged device, \$25+ for each broken screen, \$75 for intentionally broken screens (e.g. broken in the middle, not accidentally dropped), \$100 for first extreme damage, and \$250-300 for lost devices.

Spirit Fridays - The Culture and Climate Committee has decided to implement Spirit Fridays. We will start it off this Friday with **Favorite Book Character Day** - Dress up as your favorite book character, be ready to share the title and author of your favorite book and why you love it!

Chromebook Chargers - We are out of the small round pin chargers (see pictures below). **If you have any extras at home, please return them to the front desk ASAP.** If a student forgot their charger, please have them share with someone else. These are also the only chargers we have for chromebook check-outs, so we really need any and all of them back.
