# Staff Appreciation

This week is Staff Appreciation Week! Please see the calendar below from PTO for when and how we plan to appreciate our amazing staff here at McMeen. Our big thank you for staff will be to fulfill their Amazon wishlist. You can find links to their wish lists [here](#).

Sunday 5/9	Monday 5/10	Tuesday 5/11	Wednesday 5/12	Thursday 5/13	Friday 5/14
Join us at the school around 4:30 pm to Chalk the Walk! We will write messages to greet our teachers and show them how much we appreciate them!	If teachers were flowers, we'd pick you! Color the flower picture from your packet, draw a flower, or bring a real one for your teacher. <a href="#">Flower Picture</a>	Write your teacher a note and tell them how they've helped you grow this year!	It takes many tools to tend a garden! Bring your teacher something from their Amazon wish list or a school supply for the classroom. <a href="#">Here</a> is the wish list link.	Dig in your closet and dress like your favorite teacher!	No School - Staff Development Day - our staff is in full bloom! The McMeen PTO will celebrate the staff today!

## ANNOUNCEMENTS

**Chromebooks Over the Summer** - The district is requiring that we send student home with chromebooks over the summer. We want to remind you that these devices belong to the school and are to be used only for school related purposes (no YouTube or games). We do not have any more chromebooks; therefore, your family will be held responsible for the chromebook given to your child. This means that we will charge for chromebooks that are lost or damaged over the summer. If you do not wish for your child to keep their chromebook, they can return it along with the charger to their teacher during the last week of school. \*\*

**Middle School Lessons** - Ms. Callahan has completed all Middle School Lessons with 5th Graders to support their transition next year. Additionally, she has shared videos from local middle schools with teachers to show to students. Ms. Callahan is in the process of conducting transition talks with students, which are 1:1 conversations regarding any questions they have about moving to middle school. Next up, she will be having locker lessons with students.

**REMINDER Family Satisfaction Survey** - You should have received an email with the Family Satisfaction Survey link. If you haven't already, we ask that you please take a few minutes of your time today to complete the survey to help us reach our **goal of 100% participation**. The last day to complete the survey is 5/21. This survey asks you to reflect on this school year, and let us know what went well and what we can improve for next year.
