Building Connections

We want to provide opportunities for families to connect with one another. To do this, we have created a Padlet where you can share ideas and connect over a different topic each week. This is completely voluntary and meant to build our community.

This week's topic: **Share where you are from**
Share and connect [here](#).

No School September 25th and September 28th - These are planning days for teachers, so there will be no school for students. The September 25th date is specific to McMeen and is not part of the DPS calendar.

Starry Connect Internet - This is a new option for internet. Find more information [here](#). If you are interested, please contact Eric Claytor, Director, Sales: (303) 909-5964, eclaytor@starry.com

Apply for School Meal Benefits - visit www.myschoolapps.com to apply for free and reduced meal benefits.

Remote Learning Awareness - We have had a few incidents where family members do not seem to realize they are on camera and/or speaker during class time. We want to let you know that there is a good chance your child's class may be able to see or hear you. We recognize and respect that this is your home and just ask that you remain aware of this possibility during class time.
