WEEKLY FAMILY NEWSLETTER - September 3, 2021

Masks

All students are required to wear a mask to school and to keep it on at all times while inside the building. Please make sure you are sending masks with students and also talking to them about the importance of keeping their mask on. Students who are non-compliant with mask wearing will likely need to be quarantined for 10 days if there is any chance they are exposed to COVID. **We also need mask donations. If you are able to donate masks, please drop them off at the main office.**

Flyer

As a reminder, Flyer will be our primary form of communication this year. Teachers were trained on the platform this week and will start sending out messages. If you have any questions, please reach out to your child's teacher.

Health Reminders

If your child is exhibiting any COVID symptoms (cough, fever or chills, shortness of breath, fatigue, muscle or body aches, headache, loss of taste or smell, congestion or runny nose, nausea or vomiting, or sore throat), please keep them home from school. If they come to school and are presenting as symptomatic, it is likely that we will be sending them home anyway. We know the list is broad, but we ask that we all continue to be diligent as we work to control the spread within our building of COVID and other illnesses.
